

# United States Public Health Service Dental Category USPHS SCIENTIFIC AND TRAINING SYMPOSIUM

RADM Chris Halliday  
Chief Dental Officer  
U.S. Public Health Service

# Welcome to Category Day!

A time to make new friendships and re-establish “old” friendships

- Take this opportunity to meet everyone
- Consider establishing collaborative and partnerships
- Share information about your programs
- Take the opportunity to network not only with your fellow Commissioned Officers, but just as importantly, our guests

# USPHS Dentists

Today you'll have the opportunity to meet:

- Colleagues from USPHS clinical, applied public health and research programs
- Commissioned Corps leadership
- Representatives from a school of public health and from dental schools
- Representatives from organized dentistry – State and National programs

# USPHS Dentists

Use this opportunity to ask questions, share information and learn

- Changes to dentistry – both within the Commissioned Corps and to the dental profession in general
- Pay and policy issues
- Promotion – related issues
- Deployments – past, present and future
- Billet restructuring
- COER redesign
- What are the pressing issues for the dental category?

# USPHS Dentists

Thank you for attending this meeting

- To our guests
- To my fellow Commissioned Corps Officers

Take the knowledge from this meeting to better yourselves and to strengthen the Dental Category

Let's make the most of the time that we have together this week!

**THANK  
YOU!**
