U.S. Public Health Service
Scientific and Training Symposium

2019

Minneapolis Convention Center

May 6-9
As a sponsor or exhibitor at the USPHS Scientific and Training Symposium your organization can provide vital support to strengthen the nation’s public health and emergency response capability, while building relationships that will further your mission and objectives. The 2019 Symposium will be the 54rd annual meeting of the nation’s top Federal, Tribal, State and Local public health providers, administrators and emergency responders/planners. Attendees typically include the U.S. Surgeon General and top officials from the:

- Department of Defense
- Department of Health and Human Services
- Bureau of Prisons
- Centers for Disease Control and Prevention
- Coast Guard
- Public health-related nonprofits and government agencies
- Universities providing public health degrees
- Food and Drug Administration
- Health Resources and Services Administration
- Immigration and Customs Enforcement
- Indian Health Service
- National Institutes of Health

Attendees also are expected from:

- National Disaster Medical System
- Other Uniformed Services including the Army and Navy
- Public Health Universities including Emory and Morehouse
- Tribal, State and Local Public Health Agencies
- U.S. Department of Agriculture

Who Should Sponsor/Exhibit?
The symposium is an excellent venue for:

- Emergency and disaster response/preparedness product and service providers (the Public Health Service has deployed to Iraq and Afghanistan, Africa to address Ebola, the U.S.Mexico Border and numerous hurricanes, floods and other natural disasters).
- Pharmaceutical companies
- Dental supply companies
- Engineering and environmental health product and service providers
- Insurance companies
- Banks
- Medical technology companies
- Medical manufacturing and supply companies
- Medical research companies
- Uniform Companies
- Temporary agencies serving the medical industry
- Information technology companies
- Telecommunication companies
- Professional associations for pharmacists, nurses, physicians, dentists, engineers, dietitians and therapists
- Credentialing organizations
- Physical therapy organizations
- Tricare affiliated organizations
- Any companies providing products or services to public health or emergency response agencies
- Vendors and potential vendors to the Departments of Defense, Health and Human Services and Homeland Security
- State/Local public health agencies
Join Us in Minneapolis!
