

HAVE YOU BEEN THINKING OF TAKING ONE OF

NEHA'S PROFESSIONAL CREDENTIALING EXAMS?

The EHO Symposium Planning Team is excited to announce a proctored test site for officers interested in taking the NEHA* credentialing exams during the **2019 USPHS Scientific & Training Symposium in Minneapolis, MN, May 6th to 9th.**

Holding a NEHA credential has many benefits beyond showing an officer's expertise in a particular field of public health. It is a milestone to reach within many of our respective category's benchmarks as one or more may be required for future promotional success.

If interested, please contact
LT Sandra Carpio,
EHO Symposium Planning Team
Cross-Category Networking Lead,
Sandra.Carpio@fda.hhs.gov
by **December 3rd** to indicate your
interest.

Commitment needed by:
December 21st.
